TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bradford in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the fourteenth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

ARTICLE 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. The raising of money and other articles in the warrant to be taken up at 1 o'clock p. m.

ARTICLE 3. To see if the town will vote to increase the salary of the Town Clerk \$25.00, making the salary \$75.00 per year instead of the present salary of \$50.00.

ARTICLE 4. To see if the town will vote to raise and appropriate the sum of \$1,500.00 for oiling roads.

ARTICLE 5. To see if the town will vote to raise and appropriate the sum of \$100.00 for improvements in the Town Hall, in conjunction with a contribution of an equal amount contributed by the Bradford Women's Club; under the supervision of the selectmen and a committee chosen by the Women's Club.

ARTICLE 6. To see if the town will vote to change the Tax Collector's present salary from a stated amount as at present, and the Collector instead, be paid a commission of 1½% on all collections. To remain in force until otherwise changed by vote of the town.

ARTICLE 7. To see if the town will vote to raise and appropriate the sum of \$65.00 for the Dartmouth-Lake Sunapee Region for advertising and promoting the natural resources of the town, together with other towns in the Dartmouth-Lake Sunapee Region.

ARTICLE 8. To see if the town will vote to raise and appropriate a suitable sum of money to erect a Memorial Honor

Roll as a permanent tribute to all those who are in the service; also to purchase a service flag.

ARTICLE 9. To see if the town will vote to raise and appropriate the sum of \$400.00 for pine blister rust.

ARTICLE 10. To see if the town will vote to authorize the selectmen to purchase a new town truck; the old one to be turned in in exchange for the new one.

ARTICLE 11. To see if the town will vote to authorize the selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds, and this authority shall hold until otherwise revoked by a vote of the town.

ARTICLE 12. To see if the town will vote to authorize the selectmen to hire money for current expenses in anticipation of taxes.

ARTICLE 13. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 23rd day of February in the year of our Lord nineteen hundred and forty-four.

JOHN L. FLANDERS,
MILTON O. CRAIG,
THOMAS R. NOLAN,

Selectmen of Bradford.

A true copy of Warrant—Attest:

JOHN L. FLANDERS,
MILTON O. CRAIG,
THOMAS R. NOLAN,

Selectmen of Bradford.

AUDITOR'S REPORT

Bradford, N. H., Feb. 15, 1944.

We, the auditors of the town of Bradford, have audited the books of the Selectmen, Treasurer, Road Agent, Town Clerk, Tax Collector, Cemetery Trustees and Library Trustees for the year 1943, compared their figures and vouchers and found the same correct.

EDWIN H. DODGE,
LEON F. PERKINS,

Auditors.

THE DARTMOUTH-LAKE SUNAPEE REGION

The Legislature of 1937 authorized the establishment of six Regions, each comprising a group of towns suggested by the State Planning & Development Commission. The Dartmouth-Lake Sunapee Region comprises this town and 37 others in this section of the state. The Region is incorporated as a non-profit corporation and its affairs are supervised by a group of officers chosen annually. The Region employs a full time secretary who is paid by the state (not by the towns). Thus your Region is a set-up established by law and the matter of whether or not it has sufficient financial support to render real service to your community rests with the voters of the towns. During its existence the Dartmouth-Lake Sunapee Region can point to the following accomplishments. Through the publicity it has issued, it has brought visitors to every town, some have established summer homes and others have become permanent residents. It has been instrumental in bringing industries to several towns. It has inaugurated plans that have saved historic landmarks. It has sponsored paying summer attractions. It has been active in bringing about a survey of our mineral resources that has resulted in revenue to many towns and has conducted studies of new agricultural products.

By an appropriation not exceeding 1/100 of 1% of the assessed valuation the Region now asks the support of your town in continuing the program that has brought about the aforementioned results and to institute the following three projects which if carried through must result in added income to each of the 38 towns of the Region. (1) A research of the possibilities of establishing industries that will use as raw materials, minerals within our area and make a study of the feasibility of the production, processing and sale of several agricultural products that in the past have received but little attention. (2) To cooperate with each of the towns in preparing descriptive pamphlets showing the attractions, natural advantages and resources of the community with the idea of eventually incorporating such material into a book descriptive of the whole Region. (3) To establish a system of Recreation Trails following back highways and little used roads leading

to scenic areas and desirable locations in each of the 38 towns in the Region. As it is not deemed proper to devote more space in your Town Report to this subject, details have been omitted, however, letters of inquiry regarding any matter here mentioned will be welcome and given careful reply. Address, Dartmouth-Lake Sunapee Region, New London, N. H.

REPORT OF THE FOREST FIRE WARDEN

Crises like the present test the quality and sincerity of everyone's patriotism and citizenship. The times make such unavoidable demands for universal cooperation in the many lines of essential regular and emergency public endeavor that the response given may well be assumed to be the real measure of one's love of country and his appreciation of the opportunities it offers. Ranking high in the list of public endeavor is the protection of our forests from fire. It calls for full and generous cooperation by each of us. Fire statistics indicate that better than 98 per cent of all fires in New Hampshire are man-caused. If human carelessness could be eliminated from the problem, the number of fires would drop to a mere minimum of less than 2 per cent of present figures and fire costs and losses would reduce in proportion. While this goal will not be achieved because of the perversity of human nature, the record can be vastly improved through individual discipline, alertness and cooperation.

Discipline calls for personal restraint from following unrestricted natural impulses to do as one pleases with regard to fire; alertness in cautioning others against imprudent and illegal burning and in promptly reporting fires to the local forest fire warden; cooperation in complying with laws, rules, and regulations governing the kindling and care of fires, smoking, safety of mechanical units using fire in and near woodlands and assisting the local warden in extinguishing such fires as may occur.

The possibilities of disastrous and expensive woods fires are constantly becoming more real. The hurricane felled an estimated one and one-half billion board feet of standing timber, much of which was never cleaned up. To this hazard have been and are being added extensive areas of slash from

additional hundreds of millions cut to produce vitally needed wood for the war effort. With the stage so set, greater caution is increasingly necessary. It will pay substantial dividends in unburned forest areas and the saving of unnecessary fire expense.

The year 1943 was an extremely fortunate one because of favorable weather conditions. Many towns had no fires, some had minor fires while a few had expensive ones. The public controls the answer to the 1944 and future years' fire records. If the public is careful and cooperative the record will be good.

Your town warden is, perhaps, more perplexed and anxious during these war years than ever before because of increased forest fire hazards and diminishing supplies of available man-power. He looks directly to you to aid him. Will you? You can aid him most effectively by always securing the required permit before attempting to burn and by complying fully with permit requirements; by being patient when he advises of departmental restrictions on permit burning or that he deems it unsafe to burn; and by giving him the needed assistance in extinguishing fires when he needs your help. To do so is to meet one real test of citizenship.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board of Bradford District:

During the year 1942-1943, the following teachers were employed:

School	Teacher	Training	Yr. Grad.
Bradford Central			
Grs. 6-7-8	*David Armstrong	K. T. C.	1936
	*Mildred C. French	K. T. C.	1922
Grs. 3-4-5	Evelyn T. Norton	K. T. C.	1924
Grs. 1-2	Estelle Stearns	P. T. C.	1929
Music	Gilda V. Drago	B. U.	1938

* Mr. Armstrong left November 6, 1942.

* Mrs. French came November 9, 1942.

General Statistics

	Grs. 6-7-8	Grs. 3-4-5	Grs. 1-2	Total 42-43	Total 41-42
Half days in session	344	344	344	344	358
Half days lost	16	16	16	16	2
No. pupils regist.	29	35	24	88	97

No. visits School Board	6	4	6	16	28
No. visits Supt.	27	27	22	76	86
No. visits citizens	33	64	46	143	77

The above statistics show that sixteen half-days were lost during the year. Nearly all this was due to the oil shortage caused by wartime restrictions. The number of pupils registered and the average membership are smaller than that of the previous year. The number of pupils residing in the district and attending public schools was 110, a decrease of 16 from the previous year. Of these 86 were enrolled in the local schools, 21 attended high school at Warner and three at Heniker. Two tuition pupils from Warner district were enrolled.

The number of tardy marks per pupils is low, a very commendable decrease from the previous year.

During the summer of '43 two O. S. Y. A. Courses in canning were given under the direction of Mrs. Florence Nutter. Friends and parents generously contributed some of the results of their labor in canning for the benefit of school lunches. We are all very grateful to the Bradford Woman's Club for its generous backing and sponsorship of the school lunch program. The menus for the lunches are prepared by Mrs. May Milner, School Nurse. The preparation and serving of the lunches is under the direction of Mrs. Florence Nutter. The school lunch program in this district has proven to be very successful.

The scarcity of teachers is even greater than last year. Since Pearl Harbor 200,000 teachers have left the profession. Teachers College registrations are only 40% of what they were in 1940-41. Every effort should be made to retain our present teachers.

JOHN A. SINCLAIR,

Superintendent of Schools.

REPORT OF SCHOOL NURSE

Bradford, N. H.

Number of children examined	61
Defects:	
Dental	53
Vision	6
Tonsil	4
Corrections:	
Dental	51
Vision	3
Tonsil	1
Visits to School (per month)	30

The success of the dental clinic held Sept. 22, 23, 24, 27, 1943, was due greatly to the cooperation of the parents; just as the number of defective vision cases not corrected is due entirely to the lack of cooperation on the part of the parents.

This year we have the audimeter at the school but as we have to wait our turn to use this machine to test the hearing, we will not be able to do so until February.

An average of over nine hundred meals per month will be served during the hot lunch period from December to April. The Bradford Women's Club supplies the funds for the salary of our cook, also over three hundred jars of vegetables canned at the canning center last summer. The F. D. A. (Food Distribution Administration) supplies the funds for the rest of the food and milk needed. Through this splendid combination we have been able to serve a complete meal each day and the benefit to the school children is very evident.

We were unfortunate in having chicken pox in the school this year but were able to confine it to eleven cases.

Respectfully,

MAY S. MILNER, R. N.
